COMMENTS FROM THE TOWN MANAGER'S OFFICE

Bridge Construction Co. is in the process of raving their equipment from town. They will have a small crew to finish the work on the sewage system. The plant is in partial operation awaiting some final equipment. All the sewage being covered through the plant is treated to the extent it will be used the plant is fully operating. The Dept. of Transportation is to be on Vernon Street. They will do some schedule permits.

Elsewhere in this paper there is a copy of the law pertaining to junk cars. There is a concentrated effort being made by all law enforcement agencies to have discarded vehicles removed from the roadsides. This is the first time there has been much action at the county level to assist communities. We have attempted a concerted effort to keep these vehicles under control. With help from the Sheriff's Dept. and State Police we feel sure the program will be much more effective.

SOUTH WOODSTOCK

— Mrs. Olive Davis, Corres. —

Mr. and Mrs. Ralph Tucci, North Pond, Woodstock, invited Mr. and Mrs. Ellis Davis to take a ride to Red State Park and Five Islands, Wednesday, July 18, for a shore dinner. It was a very enjoyable day topped off with a dairy Queen for Olive, a foot high I should think. Nothing could beat that.

Mrs. Guyson Davis cared for her two grandchildren Sunday while their mother, Mrs. Roger Tibbets, was away.

Mr. and Mrs. Ellis Davis were in Bridgton Sunday to visit at Mr. and Mrs. Arthur Andrews.

Mr. and Mrs. James Whittemore of Livermore visited Friday with her sister and husband, Mr. and Mrs. Guyson Davis. They all took a trip to Screw Auger Falls where they had a picnic dinner.

Mrs. Suzanne Hill visited with her parents, Mr. and Mrs. Lenwood Andrews, being called here by the death of her cousin, James Andrews.

Franklin Grange will meet August 6 when Gentlemen's Night will be observed. Carl Brooks, Master; Ellis Davis, Lecturer, Harris Hathaway will talk on his southern trip this evening and show pictures on the same. Don't miss it. It's good.

Franklin Grange is sponsoring a yard sale, Tuesday afternoon at the camping area, South Pond. We are trying to earn some money to decorate the interior of the big hall.

Mr. and Mrs. Clyde McGuire, California, are visiting his sister and husband, Mr. and Mrs. David Shaw.

Mr. and Mrs. Clyde McGuire of California, were tendered a 50th wedding anniversary at the Union Church Sunday. A good attendance was had and many old friends visited with them. Mrs. McGuire lived in the Kaskela homestead years ago when she was younger.

The community was saddened by the passing of one of our boys who grew up in this neighborhood, James McKee. Our heartfelt sympathy goes out to all the family.

Mr. Glen Nowlin called home from Florida, where she resides on Monday night to talk to her mother, Mrs. Guyson Davis, as it was her birthday. Lorraine reported over the radio that area. That's even too far.

Mr. and Mrs. Olive Davis, Les and Les and Les were in Berlin, Tuesday.

Franklin Grange met Monday evening at their hall. It being Lady's Day, Lettie Brooks held Master's Degree. Evelyn Bean was Lecturer and read out an interesting program consisting of readings and songs by Charlotte Cole and Lettie Brooks.

Mr. and Mrs. Whitehead and son, Les and Les are having lawn sales at their home. They are planning to have a party soon.

WOODSTOCK CHAMBER MET ON JULY 11

The regular meeting of the Woodstock Chamber of Commerce was held on Wednesday evening, July 11, at the Woodstock Town Hall, with three officers and seven members present. No meeting was held the previous month in the absence of the president due to lack of sufficient numbers to constitute a quorum. Minutes of the May meeting were read and approved. A detailed report of the financial condition was made by the treasurer.

The supply of Woodstock brochures which the Chamber had printed six years ago is nearly exhausted and a committee, headed by Mrs. Chesler Bean, is in the process of investigating the cost of updating the information and acquiring new pictures for a second printing. The committee has since met at Mrs. Bean's home and is planning to report on its findings at the next Chamber meeting.

David Stowell reported on two projects he undertook since the May meeting. The administrator of the Connecticut station at Andover has provided two signs marking the way to the facility, and these have been erected to guide those coming north on Rt. 26 along the road to Rumford Point. The float at the public wharf was also in need of repair prior to the beginning of the swimming season and this has been taken care of, the chamber was told.

Mr. and Mrs. Ralph Bacon were welcomed back for the summer meetings, and they suggested a letter be written to the Public Utilities Commission indicating that a majority of the members of the Chamber of Commerce is pleased with the service of the local telephone company.

Mr. Harold Tyler suggested that the selection be contacted with regard to having the shrubbery around the Common cut so as not to obstruct the view of drivers entering and leaving the Post Office.

The pamphlet entitled, "The Old Village of Woodstock" has been reprinted by the Chamber of Commerce and is being made available to local businesses for sale on a consignment basis. Anyone interested in having a supply of these booklets is asked to contact the president, Tom Thurston.

Mrs. Bean passed around a picture postcard depicting the Main Street in Bethel and suggested that the printing firm be contacted with

ME, OPEN WOODSMEN'S

continued from Page One

was run in a lightning fast 25.7 seconds by Gib Engel of Jewett City, Conn. A tie for second place between Alan Chapman and Ira Stevens, Perkinsville, Vt., added more excitement as they ran the course a second time, neck "n" neck, with Alan capturing the second place ribbon with a time of 26.2 seconds, a mere .5 of a second behind Gib. Next, bucksaws began singing down through the wood. Bob Hoffman, East Calais, Vt., made one cut off a 10x10 inch sawn white pine timber in 11 seconds flat! Not far behind was Phil Cayford, Freedom, N. H., 11.4 seconds and Pete McGivney, West Hempstead, N. Y., 11.8 seconds. Close race! Soon the lumberjacks gathered behind the secretary's table with their cant dogs and peaveys. The reason for this was so the later contestants would not have a chance to watch the others roll the log, thus picking up pointers. Here they stayed until M. C. John Percival called them to roll the 16 foot, 18 inch diameter log from one set of stakes to another set and back again. This team effort paid off for Russ VanHazinga, Fitchburg, Mass., and Phil Cayford, Freedom, N. H., who did the task in 16.8 seconds. Joel Swanton and Ken VanHazinga, Fitchburg, Mass., Russ' brother followed with a time of 16.9 seconds, a difference of .1 of a second.

Can you imagine a crosscut saw cutting off two sections from a 10x10 inch sawn white pine timber in nine seconds flat? Well, Ken VanHazinga and Joel Swanton did just that to capture first place in crosscut sawing. Right behind them were Sven Johnson, 1971 World Champion Lumberjack and his 17-year-old son, Ron. Sven and Ron are from Jewett City, Conn. Gib Engel and Charles Wojtkun, Preston, Conn., were third with a time of 9.5 seconds.

All of a sudden the silence is broken by the sound of the Supersaws. Last minute adjustments are made as the fast moving contest begins. Brian Anderson, Monroe, Conn., 1972 Northern Lumberjack Champion is the first to put his saw to the test of making a down cut, an up cut and another down cut on the 20 inch log. However, Ira Stevens, Perkinsville, Vt., did it in the fastest time, 14.4 seconds. Ron Johnson maintained a close second with 14.6, and Alan Chapman took third place with 16.7 seconds.

After a 10 minute recess, giving the officials time enough to set up the blocks for ax chopping, the show once again got off to a fast start. Three big shiny axes threw out king size chips as Gib Engel, Jim Colbert, Brookfield, Conn., and Russ VanHazinga took first, second and third. These lumberjacks chopped completely through a 10x10 inch sawn white timber in 17.1, 18.6 seconds, and 20.8 seconds. Quite a show of strength and skill!

The day was topped off by 15 of the lumberjacks chopping down those trees that sprung up on the Common Saturday morning. This contest was not of speed, but one of accuracy. Speed was used only in case of more than one of the stake set in the ground for a target. There were three hits, one direct hit by Wayne Simino, Newport, N. H., and two grazes by Gib Engel and Joel Swanton. The fastest time of 49.2 seconds won Gib the trophy, 52.5 the red ribbon for Joel, and third went to Wayne with a time of one minute, 10.1 seconds.

At the close of the show, M. C. John Percival of Andover announced the winners as secretary Louise Chapman handed out the trophies and ribbons. The Lumberjack of the Day Trophy was won by Gib Engel, who managed to bag the most points.

GREENWOOD L. L. TEAM TAKES RUMFORD PT. 13-9 FOR LEAGUE SUN SPOT

The Northern Oxford County Little League closed its regular playing season Monday night in one of the thrillers of the year, as Rumford Point matched its bats and gloves against the Greenwood team, to determine first place in the league.

The payoff game which ran nine innings, started off as many suspected with Greenwood scoring two runs in the top half of the first and Rumford Point coming back in the bottom half to tie. Picking up four more runs in the second, the Point were ahead until Rick Chase belted a grand slam home run in the fifth.

Greenwood scored seven runs in the sixth, but Point kept picking away at the lead and at the end of the sixth six innings, the teams were tied at 9-9.

Steve Kuvaja pitched his allotted six innings, allowing nine hits and four runs. Chase was brought in to complete the three innings, giving the Point a two hit lead.

The combined efforts of the Rumford Point pitchers, Kezal, Edmond and Farnum, allowed Greenwood to score but through the extra innings Kezal also helped his team with a three run home run and a double.

Steve Kuvaja led Greenwood with a home run in the top of the ninth inning to rally and score four runs, making the game 13-9.

This is the first time in Greenwood Little League History that the team has finished in first place in the league.
